# VERTEX

## COLLECTION

designed by Karim Rashid

"Triangular planes meet dynamically to create comfortable forms suitable"

"Planos triangulares que se unen dinámicamente para crear formas confortables"

VERTEX  
COLLECTION

Set of tables and chair for IN&OUT, its triangular planes meet dynamically to create comfortable forms suitable. The collection VEXTEX is created for integrating into our space a more conceptual architectural piece, to give it a more sophisticated touch.

Conjunto de mesas y silla para IN&OUT, cuyos planos triangulares se unen dinámicamente para crear formas confortables que se adaptan al cuerpo. La colección VEXTEX ha sido creada para integrar en nuestro espacio un producto arquitectónico aportando un toque más sofisticado.
